## Chief's Message

It is an honor to serve as your Chief of Police. I am grateful to have the opportunity to work with the fine men and women of the Roman Forest Police Department. It is our goal to serve and protect this community with the utmost professionalism.

As your Police Chief, I will continually work to develop and enhance the relationship between the police department and community. When it comes down to it, success is all about people working together to reach common goals.

Our department endeavors to meet the highest ethical and professional standards, and prides itself on the quality of law enforcement services provided to the citizens of Roman Forest. For many years we have been blessed with a safe community. In these times, community safety is a daily challenge. The Roman Forest Police Department strives to be present and visible around our streets, parks, and businesses.
